

TEST 2

Part 1

Question	Answer	Location	Explain
1	diving	Speaker A: On another day, you have a choice of two activities. The first is instruction in diving in the South China Sea.	- Đáp án là diving - Cụm “instruction in diving” tương ứng với “lessons” trong đề → “diving lessons” - Đây là paraphrase trực tiếp: instruction = lessons - <i>Key word:</i> + instruction (n): sự hướng dẫn + diving (n): lặn
2	jungle	Speaker A: Or, if you want to stay dry, but still want some exercise, you can spend the day on a trek through the jungle near the beach. It's not difficult, and everyone seems to enjoy it.	- Đáp án là jungle - “trek through the jungle” khớp với “trek in the ...” trong đề - Không có từ nào khác phù hợp hơn trong đoạn - <i>Key word:</i> + trek (n): chuyến đi bộ dài + jungle (n): rừng rậm
3	dance	Speaker A: We used to take people to a Vietnamese opera, but that didn't prove so popular. So now we include a dance show, and our clients all rave about that.	- Đáp án là dance - “dance show” tương ứng với “performance” trong đề - Opera bị loại vì “used to” (không còn nữa) - <i>Key word:</i> + dance show (n): buổi biểu diễn múa + performance (n): buổi biểu diễn
4	1,450	Speaker A: I've just noticed it's now a special price. The holiday used to be £1,600, but it's just been reduced to £1,450, so you do save quite a bit, and as I said, it seems to be our up-and-coming tour.	- Đáp án là 1,450 - Giá mới sau khi giảm từ £1,600 xuống £1,450 - Đề yêu cầu điền số → không cần ký hiệu £ - <i>Key word:</i> + reduced (v): giảm xuống + special price (n): giá ưu đãi
5	birds	Speaker B: I notice it includes a walk in the hills of one of their country parks, where you have the chance to see birds of all sorts. Speaker A: Yes, that's a very popular activity.	- Đáp án là birds - “see birds of all sorts” khớp với “look at ... in a country park” - Không có lựa chọn khác - <i>Key word:</i> + birds (n): chim + country park (n): công viên quốc gia

6	dinner	Speaker A: That's a half-day activity, and you go with a trained escort, and it includes dinner in a monastery where you end your day. Speaker A: And then we wouldn't want you to miss out altogether on shopping, so there's another day when we take you round an electronics factory.	- <i>Đáp án</i> là dinner - “includes dinner in a monastery” → khớp trực tiếp với chỗ trống - Đây là chi tiết cụ thể sau hoạt động đi bộ - <i>Key word:</i> + dinner (n): bữa tối + monastery (n): tu viện
7	electronics	Speaker A: And then we wouldn't want you to miss out altogether on shopping, so there's another day when we take you round an electronics factory. Now, that might sound like an odd thing to do, but it's actually really fascinating, and not like your usual ceramics factory.	- <i>Đáp án</i> là electronics - “electronics factory” khớp trực tiếp với đề - “ceramics factory” chỉ là so sánh → không phải đáp án - <i>Key word:</i> + electronics (n): đồ điện tử + factory (n): nhà máy
8	Japan	Speaker B: But let me find out about one more place. I've always wanted to go to Korea, but not on this trip. And I've been to Thailand, which I loved, but what about your Japan package?	- <i>Đáp án</i> là Japan - Người nói hỏi về “Japan package” → đây là tour thứ 3 - Korea và Thailand bị loại vì không chọn - <i>Key word:</i> + package (n): gói du lịch + Japan (n): Nhật Bản
9	costume	Speaker A: Good choice. Well, that tour includes a terrific trip to a museum of traditional costume. The exhibits are gorgeous.	- <i>Đáp án</i> là costume - “museum of traditional costume” khớp hoàn toàn với đề - Không có từ thay thế - <i>Key word:</i> + costume (n): trang phục + museum (n): bảo tàng
10	fish	Speaker A: Well, we do go to a market, but it's one that sells fish, and it's one of the largest in the world. And you have the chance to sample the wares in a little restaurant nearby.	- <i>Đáp án</i> là fish - “market that sells fish” → khớp với “big ... market” - “crafts market” bị sửa lại → bẫy đề - <i>Key word:</i> + fish (n): cá + market (n): chợ

Part 2

Question	Answer	Location	Explain
11	D	<i>The staff there will give you each a cloth bag as a little present from us to keep your dancing shoes in for the weekend. Other things useful to take to class each day will be a bottle of water, hopefully you've all brought one with you, and a towel for your face if it's hot and you feel you need one.</i>	- Đáp án là D (a shoe bag) - “cloth bag ... to keep your dancing shoes” → chính là shoe bag - B (face towel) sai vì chỉ là “useful to take”, không phải được phát - E (water bottle) sai vì “you’ve all brought one” → tự mang - Key word: + cloth bag (n): túi vải + keep shoes (v): đựng giày
12	A	<i>Also at registration you can pick up a list for the level class that you're in so you can start learning people's names. After checking in, this first afternoon is free for everyone.</i>	- Đáp án là A (a class list) - “pick up a list for the level class” = nhận danh sách lớp - C (name tag) sai vì đã “posted you out in the mail” → gửi trước - Key word: + pick up (v): nhận + list (n): danh sách
13	C	<i>For those of you who are interested, there's a lecture this afternoon in the main hall on the history of dance or you could practice for Sunday's concert in the music room. There is also an informal gathering planned for tonight consisting of mainly easy dances where you can get to know each other.</i>	- Đáp án là C (an informal dance) - “informal gathering ... easy dances” = buổi nhảy không chính thức - Đây là hoạt động buổi tối (evening) - Key word: + informal gathering (n): buổi gặp gỡ không chính thức + easy dances (n): các điệu nhảy đơn giản
14	D	<i>For those of you who are interested, there's a lecture this afternoon in the main hall on the history of dance or you could practice for Sunday's concert in the music room. There is also an informal gathering planned for tonight consisting of mainly easy dances where you can get to know each other.</i>	- Đáp án là D (a talk on dance history) - “lecture ... on the history of dance” = talk on dance history - A (costume making) sai vì “won’t be making them until tomorrow” - E (tests) sai vì “won’t be held until the final afternoon” - Key word: + lecture (n): bài nói chuyện + history (n): lịch sử

15	A	<i>Walk straight ahead from here past this first big block on your left and you'll find the bathrooms on your left just after it. Now, equally important of course is where you'll sleep.</i>	- Đáp án là A - Đi thẳng, qua khối nhà lớn bên trái → bathrooms ở bên trái sau đó - Trên map, vị trí này tương ứng điểm A - Key word: + straight ahead (adv): đi thẳng + on your left (phr): bên trái
16	E	<i>Now, equally important of course is where you'll sleep. So the bunk rooms are just here on our left. You can see them beside where we're standing now.</i>	- Đáp án là E - “just here on our left” + “beside where we're standing” - Trên bản đồ, vị trí sát chỗ đứng bên trái là E - Key word: + bunk rooms (n): phòng ngủ tập thể + beside (prep): bên cạnh
17	I	<i>Well, you'll get there if you go straight ahead from where we're standing now, take the first turning right and carry on to the second building. It's on your right just before the bike racks.</i>	- Đáp án là I - “second building... on your right... before the bike racks” - Trên map, vị trí ngay trước bike racks bên phải là I - Key word: + turning (n): ngã rẽ + building (n): tòa nhà
18	D	<i>The hall is where we'll be for class photos. You can find that in the middle of the site just south of the music room. The medical room, in case any of you get injured while you're dancing, can be found in the centre of the site also.</i>	- Đáp án là D - “middle of the site” + “just south of the music room” - Trên bản đồ, vị trí D nằm ngay dưới music room - Key word: + south of (prep): phía nam của + middle (n): trung tâm
19	F	<i>Go straight on from here past two pathways and it's on your right beside the music room. The nurse there is very good with sports injuries so don't hesitate to visit her if you need to.</i>	- Đáp án là F - “on your right beside the music room” - Trên map, F nằm bên phải gần music room - Key word: + beside (prep): bên cạnh + medical room (n): phòng y tế
20	B	<i>Go straight ahead and take the third turning on your right, then you will find that the office is the second building on your left. The staff there are very friendly and if you have any problems during the weekend, go to see them and they'll help you out.</i>	- Đáp án là B - “third turning right → second building on left” - Trên map, vị trí phù hợp là B - Key word: + turning (n): ngã rẽ + office (n): văn phòng

Part 3

Question	Answer	Location	Explain
21	B	Speaker A: Well, of course they love the idea. One thing I didn't expect though. Speaker A: The idea is hugely popular with local chefs and many of them are finding new ways to use the plants and all their different stages of growth.	- <i>Đáp án là B</i> - “didn’t expect” = surprising → điều bất ngờ là “hugely popular with local chefs” - A sai vì khách hàng “love the idea” (không phải unpopular) - C sai vì “only a few shops” → không phải nhiều - <i>Key word:</i> + popular (adj): phổ biến + chefs (n): đầu bếp
22	C	Speaker B: The difficulty could be finding space to put all the panels. Some smaller shopping centres probably don't have covered car parks. Speaker A: That's right. It's a shame because the technology seems to be all there and ready to go if the conditions are right.	- <i>Đáp án là C</i> - “difficulty = finding space” → thiếu không gian - A sai vì “technology seems to be all there” (không có vấn đề công nghệ) - B sai vì không đề cập chi phí cao - <i>Key word:</i> + space (n): không gian + panels (n): tấm pin
23	B	Speaker B: Naturally more of them survive, but because their habitat is not interrupted too much by the roads, the genetic diversity of local species has improved. Speaker A: That's true. It's worth the huge cost of building them if the result is a win-win for people and animals.	- <i>Đáp án là B</i> - “genetic diversity... has improved” → đa dạng di truyền tăng - Đây là lợi ích “unexpected” (ít ai nghĩ tới) - C sai vì giảm tai nạn là “predicted outcome” - A sai vì không nhắc đến chi phí rẻ hơn - <i>Key word:</i> + genetic diversity (n): đa dạng di truyền + habitat (n): môi trường sống
24	C	Speaker B: Yes, it's not so much the size of the movement, I mean only a few countries are involved, as the amount of support offered once a community joins. Speaker B: Considering the sheer amount of time and planning it takes for a city to convert completely to renewables, the organisers of the movement would need to do that.	- <i>Đáp án là C</i> - Nhấn mạnh “amount of support offered” → mức hỗ trợ cao - A sai vì “only a few countries” - B sai vì không nói nhanh hay chậm - <i>Key word:</i> + support (n): hỗ trợ + community (n): cộng đồng

25	A	Speaker A: It's where huge numbers of people learn through the internet about where to shop at stores that use the profits to support environmental projects. Speaker B: No, actually, it's the opposite of that. It allows businesses to fund initiatives to help protect the environment by boosting their profiles.	- Đáp án là A - “use profits to support environmental projects” → giúp doanh nghiệp thực hiện dự án xanh - B sai vì không nhấn vào việc mua sản phẩm bền vững - C sai vì “don’t get to know each other personally” - Key word: + profits (n): lợi nhuận + initiatives (n): sáng kiến
26	H	Speaker B: Well, the first step is choosing the right area. Whatever size land you're working on, ensuring there's enough light is crucial. Speaker B: The next step, whatever you're planting, is to make sure you have the right seeds.	- Đáp án là H (light) - “ensuring there's enough light” → điều kiện cần - Key word: + light (n): ánh sáng + crucial (adj): quan trọng
27	C	Speaker B: The next step, whatever you're planting, is to make sure you have the right seeds. To give them a better chance against the competition from other plants, you need to use a lot.	- Đáp án là C (seeds) - “make sure you have the right seeds” → chọn hạt giống phù hợp - Key word: + seeds (n): hạt giống + competition (n): cạnh tranh
28	E	Speaker B: So then you make a mixture with decent quality, durable compost for nourishment. Speaker A: Then do they infuse it with insecticide?	- Đáp án là E (compost) - “compost for nourishment” → chất dinh dưỡng lâu dài - insecticide bị loại - Key word: + compost (n): phân hữu cơ + nourishment (n): dinh dưỡng
29	G	Speaker B: The next step is pressing the whole thing into a small chunk of clay to make a ball. This may then be covered in an outer material such as paper.	- Đáp án là G (clay) - “chunk of clay” → nén thành cục đất sét - Key word: + clay (n): đất sét + chunk (n): khối
30	D	Speaker A: Right. That way, when it lands, it will add balanced nutrients to the mixture. Speaker B: Yes. And it may also protect it from insects and other plants.	- Đáp án là D (nutrients) - “add balanced nutrients” → cung cấp dưỡng chất - Key word: + nutrients (n): chất dinh dưỡng + balanced (adj): cân bằng

Part 4

Question	Answer	Location	Explain
31	different	<i>In spring, the temperatures need to drop to well below zero at night, but then they need to rise sharply during the day, so they're hugely different over a 24-hour period. And that's exactly what happens in northeastern Canada every spring.</i>	- Đáp án là different - “hugely different” → paraphrase của “very different” trong đề - Nói về sự chênh lệch nhiệt độ ngày – đêm - Key word: + different (adj): khác nhau + temperatures (n): nhiệt độ
32	meat	<i>Clear sap started to run from the cut. His wife used this sap to boil meat, and the heat turned it into a sweet syrup, which they found delicious.</i>	- Đáp án là meat - “used this sap to boil meat” → nấu thịt - Khớp trực tiếp với “used to cook ...” - Key word: + boil (v): đun sôi + meat (n): thịt
33	tradition	<i>Collecting the sap each spring became a tradition among them. Whole families would migrate to the areas where the maple trees grew and set up camp there.</i>	- Đáp án là tradition - “developed into a First Nations ...” = became a tradition - Đây là paraphrase trực tiếp - Key word: + tradition (n): truyền thống + collect (v): thu thập
34	steam	<i>One way was to drop hot stones from a fire into the buckets to create steam. If repeated often enough, this would eventually concentrate the syrup.</i>	- Đáp án là steam - “produce ...” = create steam - Hơi nước giúp làm bay hơi nước → cô đặc siro - Key word: + steam (n): hơi nước + concentrate (v): cô đặc
35	ice	<i>This would mean that a thick layer of ice would form on top, which could be discarded, leaving the sugary sap below. Again, this process could be repeated over several days, and eventually a sweet brown syrup was produced.</i>	- Đáp án là ice - “layer of ice ... on top” → lớp băng trên cùng - Khớp trực tiếp với đề - Key word: + ice (n): băng + layer (n): lớp

36	medicine	<i>European settlers who arrived in Canada began to learn about the syrup from First Nations peoples and further expanded its uses. For example, they incorporated it into medicine of different kinds.</i>	- Đáp án là medicine - “incorporated it into medicine” → dùng trong y học - Khớp với “various types of ...” - Key word: + medicine (n): thuốc + incorporate (v): kết hợp
37	tax	<i>However, after 1880, the Canadian government decided to stop charging tax on Caribbean sugar; and this made it much cheaper. That meant it was no longer cost-effective to produce maple sugar, and so syrup-making became the only viable industry remaining for Canadians, and that's what we've been doing ever since.</i>	- Đáp án là tax - “stop charging tax” → loại bỏ thuế - Khớp với “removed” trong đề - Key word: + tax (n): thuế + cheaper (adj): rẻ hơn
38	insects	<i>Like any agricultural product, the harvest is subject to such things as major storms or the arrival of invasive insects, both of which have happened, and these could destroy everything. It is predicted with some certainty that, in the longer term, climate change will also have an adverse effect on the sapran.</i>	- Đáp án là insects - “destructive ...” = invasive insects - Là yếu tố tự nhiên gây hại - Key word: + insects (n): côn trùng + invasive (adj): xâm lấn
39	competition	<i>Producing maple syrup is a very labour-intensive process, making it an expensive purchase. And of equal concern is the fact that nowadays there's a lot of competition from cheaper, artificially flavoured brands.</i>	- Đáp án là competition - “faces considerable ...” = a lot of competition - Áp lực từ sản phẩm rẻ hơn - Key word: + competition (n): cạnh tranh + cheaper (adj): rẻ hơn
40	healthy	<i>It's certainly high in calories, but it also contains proteins, minerals and antioxidants. As such, it is still relatively healthy when you compare it with sugar or corn syrup.</i>	- Đáp án là healthy - “relatively healthy compared with other sweeteners” - Đây là điểm tích cực - Key word: + healthy (adj): tốt cho sức khỏe + compare (v): so sánh
